Discussion to Focus on Resolving Crisis without Aggravating, Prolonging Recession

State Representative William A. Hamzy will host a forum on the state budget crisis that will focus on ways to resolve one of the most serious problems the state has faced in decades without aggravating and prolonging a recession that has forced businesses around the state to close and resulted in the loss of thousands of jobs.

The budget forum, “How We Got Here and Where Do We Go from here?” will be held Wednesday, January 28th at the Bristol Public Library, 5 High Street, Bristol, from 7 to 9 p.m.

Anyone interested in learning more about the state budget crisis and how to resolve it is invited to attend.
